

# StreamSessionState Enum

Represents the current state of a media streaming session with a Meta Wearables device.

## Signature [↗](#)

```
enum StreamSessionState : Enum<StreamSessionState>
```

## Enumeration Constants [↗](#)

Member	Description
STARTING	The session is in the process of starting up.
STARTED	The session has started but is not yet actively streaming.
STREAMING	The session is actively streaming media data.
STOPPING	The session is in the process of stopping.
STOPPED	The session is stopped, either because it hasn't been started or there are no active devices connected.
CLOSED	The session is closed. This is the final state and the session cannot be restarted.
