API reference

RegistrationError Enum

Enum representing errors that can occur during the Meta Wearables registration process.

Each error includes a unique error code and human-readable description to help identify and resolve issues that prevent successful registration with the Meta Wearables platform.

Signature 🔗

```
enum RegistrationError : Enum<RegistrationError> , DatError
```

Enumeration Constants 🔗

Member	Description
INCOMPATIBLE_SDK_LEVEL	The Android SDK level is incompatible with the Wearables Device Access Toolkit.
ALREADY_REGISTERED	User is already registered when attempting to register again.
